Iowa Parents as Presenters Facebook Page

Parents as Presenters is a two-day workshop for parents of children with disabilities. The goal of the workshop is to support parents in forming and telling their family story. Parents who participate in this workshop may be willing to guest speak in your classes! To reach parents who have participated in this workshop, ask for permission to join the Facebook group (Iowa Parents as Presenters). After being added, you can post when and where you would like a parent to present. Parents are likely to post a reply if they are able to attend.
